7 case studies
55 interviews
3 workshops

Coordinating Group:
**NOAA, Shell, Equinor, Natural
Resource Defense Council, National
Wildlife Federation**

RWSE Mission and Next Steps

To collaboratively and effectively conduct and coordinate relevant, credible, and efficient regional monitoring and research of wildlife and marine ecosystems that supports the advancement of environmentally responsible and cost-efficient offshore wind power development activities in U.S. Atlantic waters.

Organizational Vision can be found:

<https://www.nyetwg.com/regional-wildlife-science-entity>

- Receiving letters of support
- Ongoing coordination with ROSA
- Solicitation and selection of a fiscal agent and director (winter 2021)
